

HOW TO OVERCOME THE DREADED WRITER'S BLOCK

Loosen up! Here are ways to overcome writer's block and get back to typing up a storm:

GATHER IDEAS

- Research and get ideas from the web.
- Do not copy other people's work completely.
- Give credit where it is due.

BREAK YOUR HABIT

- Try writing in a different time of the day.
- Find a different location you can work at.

START WITH THE BODY

- Don't stress over the introduction.
- Write it at a later time

TAKE A BREAK

- Step away from your computer. .
- Take a few minutes to relax.
- Go for a walk and look at your surroundings.

For days that you simply can't put your thoughts onto paper, don't lose hope just yet. *Allied Writers* is here to provide you with the best professional writing services.
