Finding your medical billing all messed up?

Or probably having problems managing your medical claims?

Get rid of your highly taxing medical billing troubles. Get your invoices and spreadsheets in order and under control with ABC Med Billing Solutions!

“Accurate Billing Control”

This is our sincere mission in every project that we handle. We aim to take charge of your billing problems and provide quality, systematic, competent, time-sensitive, and secure medical billing service that suits your company’s needs perfectly.

As we all know, organized and accurate billing of accounts is crucial in managing an effective cash flow cycle in any medical practice. Sadly, this strenuous process requires not only expert handling but also time and extra manpower.

ABC Med Billing Solutions, besides giving you the opportunity to handle all your medical billing problems, will also help you get rid of your financial worries and focus more on your expertise—providing quality healthcare solutions and services.

By way of our state-of-the-art software programs, experienced, and highly proficient staff; medical specialists and healthcare professionals can guarantee a cost-efficient and accurate service that rubs out medical billing concerns. Additionally, we can provide effective solutions on various billing transactions, including patient billing to electronic claim submission.

Discover a better and easier way to get your medical billing management done, contract out your medical billing services to **ABC Med Billing Solutions, Incorporated**.

About Us

ABC Med Billing Solutions, Incorporated is a qualified healthcare billing company that provides quality medical billing solutions to health companies and professionals. Since our founding in 2009, we have been offering a wide range of services and full practice management solutions that focus on electronic insurance claim submission, accounts receivable, and patient billing. These are incredibly affordable services that can bring a totally hassle-free experience to your organization.

At ABC Med Billing Solutions, we pride ourselves in applying the best reimbursement strategies and operational practices. Our strong commitment to providing our clients with exceptional services is ruled by our fast and accurate billing processing system. We are here to help you maximize your revenue collection and considerably increase your cash flow using the leading-edge tools and software available in the market today.

As we aim to help our clients gain the highest possible reimbursement that they deserve, we provide comprehensive combination of expertise, technology, and superior customer service that deliver maximum positive results.

Key Strengths

Our capacity to offer a total medical billing solution is built on our key strengths:

- State-of-the-art computerized system
- Next-day patient record updating
- Guaranteed round-the-clock claims submission
- Instant electronic verification of insurance benefits
- Complete practice analysis
- Patient mailing letters, appointment recalls, birthday cards, and many others
- Full service medical claims management
- Honest and superior service

Services

As a medical billing management company, we commit ourselves in providing your organization with innovative reimbursement strategies and up-to-date solutions and methods.

Our complete list of services include (but are not limited to):

- Filing of online and non-online claims
- Dispute of denied insurance claims
- Patient statements
- Monthly reports
- Submission of secondary insurance
- Verification of insurance benefits
- Posting/accounting of insurance payments
- Follow up of insurance claims
 - Follow up of aged receivables

Mission

ABC Med Billing Solutions is profoundly committed to help healthcare providers in making their medical billing more efficient and cost-effective. Built on reliability and integrity, our services are geared toward providing a total medical billing solution.

Vision

ABC Med Billing Solutions is highly driven to become a first-rate and dependable medical billing management company that provides comprehensive solutions and high quality service to both prospective and existing clients.

Benefits

Entrusting your medical billing requirements to ABC Med Billing Solutions will enable your organization to eliminate and resolve various billing problems while earning the following benefits:

Savings on Resources. Medical billing tasks can be exhausting to any company and practitioner. Apart from the extra time and effort needed to employ additional in-house staff to work on billing problems, it is also a requirement to pay for additional expenses, such as salaries and office rent, and to acquire additional space to accommodate the new staff.

With ABC Med Billing Solutions, your organization will be spared from extra expenses, time, and effort. With us, you can get your hands off of medical billing tasks and have bigger savings while focusing your attention on patient care and treatment.

Better Chance of Security. Because your medical management is outsourced, fraudulent transactions can be prevented. Having a reliable third party that can look over your resources, as well as monitor your finances will allow you to easily notice any discrepancies and problems on your billings and reports.

We at ABC Med Billing Solutions guarantee confidentiality in all your financial dealings. We can help you successfully accomplish your medical tasks without having to worry about the security and privacy of your transactions.

Value for Your Work. At ABC Med Billing Solutions, we have a cost-efficient medical billing management service that guarantees customers' satisfaction.

Minimal Case of Rejected Claims. There are medical offices that require their staff to be flexible in performing multiple tasks. In such cases, errors and omissions are unintentionally committed on claim forms. Consequently, insurance companies may reject your claim.

At ABC Med Billing Solutions, we have a highly qualified workforce that is capable of dealing with any billing demands. Surely, they can handle your claims accurately; thus, reducing the chance of being rejected.

Opportunity to Increase Cash Flow. Our full practice management service can spare your company from spending more on additional staff.

Faster Payment Processing. Outsourcing your billing task to a third party provider that has expert workforce in medical billing solutions, such as ABC Med Solutions, can absolutely speed up the turnaround way faster than any in-house processing.
